Overview

Explore this 2014 MACK PINNACLE CHU613 for your operation. This used blue day cab truck is configured as a 6x4 with tandem rear axles and a 200-inch wheelbase. It is powered by a Mack MP8 diesel engine delivering

505 HP, paired with an 18-speed Eaton-Fuller manual transmission featuring overdrive and a 3.73 ratio. The vehicle has 789,341 miles and is equipped with air ride suspension, 11R22.5 tires on all aluminum wheels, and a sliding 5th wheel. The standard conventional cab includes A/C, cruise control, power steering, tilt/telescope steering, and power windows and locks. Additional functional features include a wet kit and a total fuel capacity of 200 gallons. With a GVW of 58,000 pounds and drum brakes, this Class 8 truck is built for heavy-duty hauling.
