Overview

Take a closer look at this 2016 Freightliner Cascadia 125. This used day cab truck is powered by a 12.8L Detroit DD13 diesel engine delivering 435 HP, paired with a Detroit DT12 12-speed automated transmission with overdrive. It features a 6x4 drive configuration, tandem rear axles, and an air leaf suspension. Equipped for efficiency and durability, the vehicle includes a 178-inch wheelbase, all aluminum wheels with 11R22.5

tires, and disc brakes. The tan conventional standard cab offers a professional interior with cloth upholstery, cruise control, power steering, and power windows and locks. With 356,499 verified miles, this Class 8 truck is configured with a sliding 5th wheel and a 140-gallon fuel capacity, making it a capable addition to any heavy-duty hauling operation.
