Overview

Why Buy this 2023 INTERNATIONAL MV Truck? This 2023 INTERNATIONAL MV is a versatile, work-ready powerhouse designed for efficiency. It is powered by a 250 HP Cummins B6.7 diesel engine paired with a smooth 6-speed Allison RDS automatic transmission featuring overdrive. The chassis is built for stability with a 4x2 drive, air ride suspension, and a 272-inch wheelbase. The 26-foot aluminum body includes a plywood lining, translucent roof, and a 3,000 lb capacity lift end gate for seamless loading. Drivers will appreciate the standard cab equipped with A/C, cruise control, and a backup camera for enhanced safety. With a GVW of 25,999 lbs and a forklift package included, this truck is ready for demanding delivery routes. It currently shows 208,499 verified miles and remains in operable condition with a DOT certification.
